Dianne - 076 112 6672

About

South African female-bodied queer artist with a focus on curatorial and archival processes, printmaking, and sculpture. While ever-progressing, my art also draws from prevalent themes from my own lived experience. A culmination of rumination, dreams, and introspection. Looking to gain experience within the art and design world to further my expertise and passion for learning.

Education

2020 - 2023 *University of Cape Town - Michaelis School of Fine Art*
Bachelor of Art in Fine Art
Majoring in Printmaking and Sculpture

2014 - 2019 *Reddam House*
National Senior Certificate
Bachelor's Pass
